AMEND Senate Bill No. 3296*

House Bill No. 3450

by adding the following language at the end of subsection (e) in the amendatory language of
Section 3 of the printed bill:

When a city or county seeks a certificate of public purpose and necessity for
development of an industrial park that will be developed in whole or in part on
agricultural land, the commissioner of economic and community development shall notify
the commissioner of agriculture and permit the commissioner of agriculture opportunity
to comment on the intended development of the land.
